

Certifications by Accrediting Body

ABSNC, NCCA, and ISO 17024

Certifications associated with above accrediting bodies and all ANCC certifications meet ANCC Magnet® criteria for inclusion on the Demographic Data Collection Tool (DDCT®).

*Updated 9/30/25

The following list is provided for general informational purposes only. While we make every effort to keep the information accurate and up to date, the ANA is the official source for a complete list of certifications that meet ANCC Magnet® criteria. Users are encouraged to verify any details with the ANA directly at ddct.certlist@ana.org. This list is typically updated on a quarterly basis. In the interim, we do not assume liability for outdated or incorrect information.
