## COURSE OVERVIEW

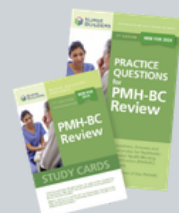

The Psychiatric-Mental Health Nursing Certification (PMH-BC) Review E-Course provides a comprehensive and up-to-date review of psychiatric-mental health nursing care based on the PMH-BC Exam content outline. Participants receive information that will not only promote certification exam success, but will also enhance clinical nursing practice.

## STUDY MATERIALS

Attendees receive a comprehensive course manual for studying and 14 days FREE access to e-course version of this course. Details during the live course.

Nurse Builders has study aids to help you pass the exam!

For full selection of study aids, visit us at: [NurseBuilders.net](https://NurseBuilders.net)

### Contact Hours, Disclosures, and Accreditation

There are no financial disclosures for anyone with the ability to control content of this activity.

Nurse Builders is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Nurse Builders is also a provider of continuing education by the California Board of Nursing (provider #15118) and the Florida Board of Nursing (provider #50-9679).

### Completion Criteria

Contact hours are awarded to participants who complete a course evaluation and attest that they completed this course in its entirety.

### Learning Outcome

Participants will be able to identify 2 high priority exam content areas (i.e. ≥ 10 exam questions) based on the exam content outline/blueprint for review/studying in preparation for this national nursing certification examination.
